To Whom It May Concern:

Re: Tina Stokes

It has been a pleasure working with Tina Stokes, her professionalism and knowledge of collections has helped our business tremendously. The prompt attention given to our accounts and her willingness to always help plays a great roll in our continued affiliation with Louisiana Recovery Services.

Woman's Clinic has contracted Louisiana Recovery Services for outside collections since 2000. We are very pleased with their services. The collecting of payments, the reporting of payments and the month end reports, are all a part of the great services provided.

Sincerely,

Isela Kerne
Credit Manager
