To Whom It May Concern:

It is with great pleasure that I recommend Louisiana Recovery Service as a collection agency. SUNSET MEDICAL CLINIC, LLC has worked with LRS for over 10 years. They have always displayed a high degree of integrity, responsibility, ambition and professionalism. Their employees are always courteous and helpful when called upon. I am confident to say that LRS would be a great asset to any business based on their organizational plan. Therefore, I am happy to give them my wholehearted endorsement.

Sincerely,
