To Whom It May Concern:

I would like to take this opportunity to recommend Louisiana Recovery Services. I have been referring my delinquent accounts to them for several years now. We are very satisfied with the way are accounts are handled. They are very professional; they will go out of their way to help in any way. They have great customer service, our calls are returned promptly and most of all they collect for us. If you have a need for a collection agency, I strongly recommend Louisiana Recovery Services.
