Louisiana Recovery Services  
1304 Bertrand Drive, Suite F-4  
Lafayette, Louisiana 70506

RE: Letter of Recommendation

To Whom It May Concern:

We have done business with Louisiana Recovery Services for several months now. They maintain a high level of professionalism and have collected in full some of the accounts that I have given them. I recommend them to anyone who needs collection assistance.

Sincerely,

Elaine L. Morrow  
Administrator
