Attn: Tina Stokes

Pediatric Plastic Surgery

Dear Tina,

Hand Surgery

I wanted to take this opportunity to express how pleased we have been with Louisiana Recovery Services. LRS has been handling our delinquent accounts since 2004 and we could not be more pleased. The effort and diligence in claims handling is exemplary. Most importantly, our collections have been astounding.

Breast Reconstruction

The staff of LRS has certainly made the collections process less of a dreaded chore. We look forward to the continued relationship between our company and yours and would definitely recommend your services to any of our colleagues.

Sincerely,
